

Important Notice

This web site is under construction. Yet, at the moment, it already contains 23000 of the 50000 pages that are planned. They display images and texts that can be easily consulted. The web site will be updated every week until its completion in June 2011. On this same date, the book and the dvd, PAIN DIFFERENTIAL DIAGNOSIS and TREATMENT , will be published. The Book plus dvd set will also include new software THEIA © that will allow an instant diagnosis of PAIN RELATED DISEASES.

Stop pain and help people in their greatest time of need.

When you paint Spring, do not paint willows, plums, peaches or apricots, but just paint Spring. To paint willows, plums, peaches or apricots is to paint willows, plums, peaches or apricots it is not yet painting that Spring. It is not that Spring cannot be painted. – Master Eihei DMgen Z nji.
